PREFACE

The Profile of Students Enrolled at The University of Iowa, First Semester 1992-93 should have a brief explanation as follows:

1. A cut-off date of September 14 was used for all Fall 1992-93 enrollment statistics to achieve consistency both within the Profile and with other enrollment reports published by the University. Because of this cut-off, however, some reports contain a greater number of uncoded variables as a result of time constraints in processing student materials. In the case of ACT figures, the "missing information" columns reflect a number of waivers for incoming transfer students, in addition to a number for whom ACT scores were obtained but too late to be included in these tables.
2. Entrance examination scores for the Graduate College, and the College of Business Administration will be reported for the previous year's classes in order to include all available information compiled in these areas and to more accurately reflect the range of scores for the entire entering classes. The early date of preparation would have allowed inclusion of only a fraction of these scores for students entering fall 1992. The professional colleges of Dentistry, Law and Medicine entrance examination scores and g.p.a. data will be reported for the fall 1992 classes.

Further clarification of materials contained in the Profile may be obtained by contacting Jean Lawrence or Jerald W. Dallam, Office of the Registrar, 335-0221. Suggestions for modifications will be welcomed.

FACTS AT A GLANCE

Total enrollment at the University is 27,463 for the first semester 1992-93, a decrease of 418 (or 1.50%) from the previous year. Seventy-eight percent of the students are enrolled full-time. Fifty percent of the students are men. The largest college is Liberal Arts, enrolling 56% of the total; the Graduate College follows with 24% of the total.

Students come to the University from every Iowa county, all fifty states, two U.S. possessions and 99 foreign countries. Iowa residents comprise 66.5% of the total enrollment; 17.7% of the total reside in adjoining states; and 7.1% reside in foreign countries. Thirty-six percent of the non-Iowa students are enrolled in the Graduate College.

The most popular undergraduate majors are engineering with 1,264 students, business administration, 1,107; English, 927; psychology, 865; education, 713; communication studies, 489; political science, 484; biology, 446; art, 444; nursing, 378; pre-communication studies, 346; pharmacy, 331; sociology, 324; history, 313; music, 246; physical education, 237; and pre-journalism, 231. Sizable numbers of students are also enrolled in the following programs: pre-business, 1,582; pre-medicine, 459; pre-nursing, 450; pre-law, 218; pre-dentistry, 75. About

twelve percent of the undergraduates have an open (non-declared) major.

At the graduate level the most frequently selected major is education with 971 students, followed by engineering, 434; M.B.A., 390; English, 298; nursing, 222; music, 204; art and art history, 181; communication studies, 132; social work, 121; history, 118; and journalism and mass communication, 113.

The median age of the total student body is 22. The median age for undergraduates is 21; the median age for graduate students is 30; and the median age for students in the professional colleges is 26.

Minority enrollment comprises 7.9% of the total enrollment; 2.7% Black; 0.3% American Indian; 3.1% Asian and 1.8% Hispanic. Foreign student population has decreased to 1,911 students for fall 1992-93; 7% of the total enrollment.

During the year 1991-92, a total of 5,932 degrees were awarded by the University; 3,649 bachelor's degrees; 507 degrees in Dentistry, Law, Pharm D. and Medicine; 1,396 master's degrees; and 380 Ph.D. and D.M.A. degrees.

New Students

Twenty-four percent of all students on the campus this fall are new to the University. The number of entering freshmen has increased by 346 students from the previous year, 3,253 compared to 2,907 in 1991-92. The number of transfer students new to the University decreased by 226 students (from 3,518 in 1991-92 to 3,292 in 1992-93).

Fifty-eight percent of the new transfer students are Iowa residents; they represent 95 Iowa counties. Transfer students also came from 49 states, 2 U.S. possessions and 56 other countries.

Thirty-six percent of the transfer students came from other colleges in the State of Iowa. Of the students who transferred from other Iowa colleges, 252 entered from the other two state universities, 362 from private four-year colleges, 574 from community colleges, 5 from private junior colleges, 1 from business and technical schools and 3 from nursing and radiologic tech. schools.

Sixty-two percent of the entering freshmen are Iowa residents; they represent 95 Iowa counties. An additional 32% came from adjoining states and only 6% from other states and foreign countries. Freshmen came from 40 states, and 15 countries.

The quality of the 1992 freshmen class is indicated by such measures as high school grade-point average (79.1% with 3.00 or higher; 96.5% with 2.50 or above); rank in high school class (23.1% in the top tenth, 89.9% in the upper half); and ACT composite score (35% rank in the top tenth, 91.8% in the upper half of national college bound high school seniors).

Although 28% of the entering freshmen declared an open major, many freshmen did declare a major field; the most frequently mentioned are: pre-business, 411; engineering, 269; pre-medicine, 236; pre-physical therapy, 120; pre-law, 119; psychology, 119; pre-nursing, 100; pre-communication studies, 98; English, 95; pre-pharmacy, 88; biology, 69; pre-journalism, 68; and music, 59.
